

Rising Sun Center for Opportunity

Job Opening: Stockton Energy Specialist

About Us

Rising Sun Center for Opportunity is a premier workforce development and community resilience non-profit serving the Bay Area and San Joaquin County. We offer two programs, Climate Careers and Opportunity Build, that give youth and adults the training and experience they need to access sustainable career pathways and maximize their potential.

For more information about Rising Sun, please visit www.risingsunopp.org

The Climate Careers Program

Our Climate Careers program offers a **no-cost** service, the Green House Call, to South Stockton households. Green House Calls consist of an energy and water audit and installations of energy and water-saving devices such as LED Lightbulbs, showerheads, bathroom/kitchen faucet aerators, smart powerstrips, and more. Climate Careers employs youth Energy Specialists, ages 15-24 from low-income households, to perform these audits and installations.

Upon the successful completion of the Green House Call program, they will continue paid employment with Rising Sun through a Fall externship placement program in which they will be placed with a trusted partner organization to gain additional career exposure and build their professional network and resume.

Position Details (Schedule, Pay & Office Locations)

- **Energy Specialist Pay:** \$19.00/hour
- **Position Schedule:** June 10, 2024 to October 31, 2024
- **Mileage reimbursement:** When traveling from site office to client's homes or any other Rising Sun event's location. Rising Sun reimburses mileage at the 2024 federal mileage rate.
- **Approximate site office locations:** South Stockton

Mileage reimbursements will only be offered for driving done solely for work-related purposes. Toll fees incurred as part of work travel are reimbursed. Note that commuting between your home and your assigned site office, along with any toll incurred from that trip, **does not qualify for reimbursement.*

The Energy Specialist (ES) Position

The position is from June 10, 2024 through October 31, 2024. Below outlines the job responsibilities within the months of the Energy Specialist position. There are different responsibilities and a commitment to the entirety of the program is required.

Work Responsibilities for the Green House Call Program: (June 10 - July 29, 2024)

- With a partner, visit 3-5 homes in your community per day (*by appointment*) to carry out an energy and water use assessment and replace inefficient measures with energy/water-saving devices
- Participate in professional development workshops to establish a professional portfolio which includes a resume and cover letter, as well as learn strategies to network and perform well on interviews after their time at Rising Sun
- Conduct follow-up phone calls to residents who have received Green House Calls to provide additional resources or gather feedback to improve the program
- Participate in Mock Interview Day (Saturday July, 13th)
- Other duties as assigned

Program Dates & Schedule (Green House Call Program): June 10 - July 29th, 2024, up to 28-35 hours a week
