

Rising Sun Center for Opportunity

Job Opening: Program Assistant - Oakland/Daly City

About Us

Rising Sun Center for Opportunity is a premier workforce development and community resilience non-profit serving the Bay Area and Stockton. We offer two programs, Climate Careers and Opportunity Build, which give youth and adults the training and experience they need to access sustainable career pathways and maximize their potential.

For more information about Rising Sun, please visit www.risingsunopp.org

The Climate Careers Program

Climate Careers offers a no-cost service to local homes. This service, called a Green House Call, consists of an energy and water audit and installations of energy- and water-saving devices. Climate Careers employs youth Energy Specialists, ages 15-24 from low-income households, to perform these audits and installations. Our innovative mission combines residential energy efficiency services with youth employment, development, and pathways to success.

The Program Assistant (PA) Position

The Program Assistant is responsible for supporting regional management teams across our two programmatic regions. The main goal of the PA is to provide operational and administrative support, recruitment and outreach, Green House Call delivery and quality control. Prior to the summer program, the PA will support the Berkeley National Laboratory's Clean Air Monitoring project. The PA will learn the various aspects of the Climate Careers program and gain experience in youth development. This position calls for someone who thrives in a fast-paced environment and can balance multiple priorities. The PA reports directly to the Regional Manager.
