

Rising Sun Center for Opportunity

Job Opening: Summer Program Manager (Stockton & Manteca)

About Us

We're deeply rooted at the intersection of equity, climate, and good, sustainable careers. In 1994, Rising Sun Center for Opportunity began as Rising Sun Energy Center in Santa Cruz, California. Much has changed as we've adapted and innovated to respond to the needs of our participants and communities, but today, we remain rooted in our origins, preparing people throughout the Bay Area and Central California who have been locked out of prosperity for good jobs and green pathways that offer economic equity and mobility while building a climate-resilient future for all.

[Learn more about who we are](#)

The Climate Careers Program

Our Climate Careers program offers a **no-cost** service, the Green House Call, to local households. Green House Calls consist of an energy and water audit and installations of energy- and water-saving devices. Climate Careers employs youth Energy Specialists, ages 15-24 from low-income households, to perform these audits and installations. Our innovative mission combines residential energy efficiency services with youth employment, development, and pathways to success.

Job Summary

The Summer Program Manager (SPM) position implements the Climate Careers program in San Joaquin County while also supporting the overall goals of the Climate Careers program in all regions. The SPM will work alongside a co-manager to implement and oversee the Green House Call goals, processes, deliverables. The SPM will supervise a set of youth participants and is jointly responsible for site office administration, youth management, client identification and scheduling, and oversight of service delivery to residential clients.

This position calls for someone who thrives in a fast-paced environment and who can balance multiple priorities. A successful candidate will equally enjoy administrative tasks, community engagement, and direct supervision and development of youth. The SPM reports directly to the Regional Manager and collaborates with the Senior Community Engagement Manager, the Program Manager, and the Workforce Initiatives and Alumni Manager.

Program Details (Pay, Office Locations & Schedule)

- **Site Program Manager pay:** \$24.50/hour, 40 hours/week
- **Monthly phone reimbursement*:** Phone-\$30 dollars
- **Vehicle use reimbursement** When traveling from site office to client's homes or any other Rising Sun event's location. Rising Sun reimburses mileage at the 2025 federal mileage rate.
- **Approximate site office location:** North Stockton, South Stockton, Manteca

Mileage reimbursements will only be offered for driving done solely for work-related purposes. Note that commuting between your home and your assigned site office **does not qualify for reimbursement. Toll fees incurred as part of work travel are reimbursed.*

Job Responsibilities

- Share/delegate all site office responsibilities and collaborate with co-manager to ensure smooth operation of site office
- Directly train, supervise, and mentor youth program participants (LIFT, ESD, ES)
- Provide continuous evaluation, training and feedback to program participants to ensure skill development and the highest possible quality of service
- Train LIFT (Leader In Field Training) to become a peer leader by providing feedback, mentorship, supervision, and delegating site tasks that align with their skill level
- Collaborate with the Outreach team to engage with clients and sign them up for the Green House Call service and gain interest in the Appliance Upgrade Program.
- Coordinate site logistics, including, but not limited to: meticulous preparation and monitoring of all supplies, tools, and materials.
- Ensure full schedule of Green House Call appointments, handle all customer service-related tasks including conducting confirmation calls, rescheduling (if necessary), ensuring quality service, and gathering customer testimonials
- Ensure the successful delivery of all site deliverables and goals including, but not limited to, the Green House Call service and Appliance Upgrade Program application data collection.
- Collaborate with a Youth Development Specialist to address issues/barriers that a youth participant may be experiencing to ensure active and consistent programmatic participation and to further enhance the youth experience
- Other duties as assigned
