Rising Sun Center for Opportunity
Job Opening: Program Assistant

About Us
Rising Sun Center for Opportunity is a premier workforce development and community resilience non-profit serving the Bay Area and San Joaquin County. We offer two programs, Climate Careers and Opportunity Build, that give youth and adults the training and experience they need to access sustainable career pathways and maximize their potential.

For more information about Rising Sun, please visit www.risingsunopp.org

The Climate Careers Program
Climate Careers offers a no-cost service to local homes. This service, called a Green House Call, consists of an energy and water audit and installations of energy- and water-saving devices. Climate Careers employs youth Energy Specialists, ages 15-22 from low-income households, to perform these audits and installations. Our innovative mission combines residential energy efficiency services with youth employment, development, and pathways to success.

The Program Assistant (PA) Position
The Program Assistant is responsible for supporting regional management teams across our four programmatic regions. The main goal of the PA is to provide operational and administrative support, recruitment and outreach, Green House Call delivery and quality control. The PA will learn the various aspects of the Climate Careers program and will gain experience in youth development. This position calls for someone who thrives in a fast-paced environment and who can balance multiple priorities. The PA reports directly to the Regional Manager.

Job Responsibilities
● Assisting with youth recruitment and community outreach for Green House Calls
● Attending events throughout the Bay Area to represent Rising Sun and Climate Careers
● Assist in scheduling interviews, logistical onboarding of youth and training
● Provide quality assurance, monitoring youth-led, in-home energy assessments, and providing constructive feedback to youth on their work
● Support staff needs by conducting Green House Calls as needed
● Conduct phone outreach and schedule appointments for in-person Green House Calls
● Deliver inventory and supplies to site offices in the Bay Area
